

02. Borrowing Dress

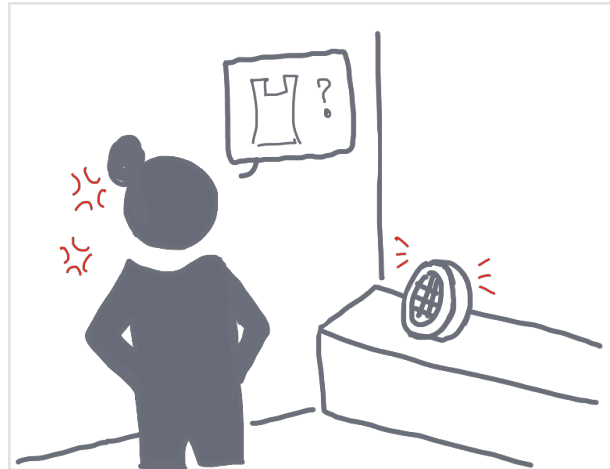

Ann always borrows clothes from her sister Taylor, who gets very annoyed by that. Before leaving the house, Taylor asks the family agent to keep an eye on her sister.

Ann is getting ready for a party, and she is about to sneak into Taylor's room to get a dress.

Right before Ann enters Taylor's room, the agent greets her in the hall. Afraid the agent will tell her sister, Ann asks the agent to keep it a secret.

When Taylor comes home, the agent greets her and lets her know that Ann was in her room and took her red dress.
